AGENDA ITEM NUMBER: 3

**SUBJECT: RESOLUTION SELECTING A CONSTRUCTION MANAGER AT RISK TO PROVIDE SERVICES THROUGHOUT THE PRECONSTRUCTION PHASE OF THE KALEIDEUM CHILDREN'S MUSEUM CONSTRUCTION PROJECT (GENERAL SERVICES DEPARTMENT)**

**COUNTY MANAGER'S RECOMMENDATION OR COMMENTS:** Recommend Approval

### SUMMARY OF INFORMATION:

Forsyth County advertised a Request for Qualifications (RFQ) for the services of a qualified construction manager at risk firm to perform preconstruction phase services for the construction of the Kaleideum Children's Museum project. The County received responses to the RFQ from the following six firms:

Edifice General Contractors  
Frank L. Blum Construction Company  
I. L. Long Construction Company  
Landmark Builders  
Shelco  
The Whiting-Turner Contracting Company

The Construction Manager at Risk Selection Committee, made up of Kaleideum representatives, County Staff, and the architect's representative, reviewed and scored the submittals and identified three firms for final consideration. Each of the three firms were interviewed and required to give a presentation to convey its qualifications and abilities to deliver construction manager at risk services resulting in an innovative facility reflective of the Kaleideum organization. The Selection Committee ultimately identified Frank L. Blum Construction Company as the best qualified firm to provide construction manager at risk preconstruction services for the Kaleideum project.

The services to be provided by the construction manager at risk during the preconstruction phase of the project will include but is not necessarily limited to: existing building and site investigations, constructability reviews, design reviews, attendance of design meetings, cost estimating, value engineering, budgeting, life cycle cost analysis, and phasing analysis. Forsyth County staff negotiated a proposed fee of \$31,060 for these services. Upon completion of the preconstruction phase, Blum Construction will seek preliminary bids and submit a Guaranteed Maximum Price proposal for consideration by the County. If the Guaranteed Maximum Price including the Construction Manager's fee is acceptable, the County will amend the current agreement to complete construction of the Kaleideum project. As the project design is underway, construction manager at risk services will commence immediately upon contract execution.
