- Projected more overtime requests for staff
- Automation is basically on track and Beacon staff will present at February meeting
- Discussed the required funding for eleven positions requested in the Position Request Summary for 2010-2011
- 8 offices areas on the ground floor were affected by water damage from a broken pipe
- Explained why Forsyth County's Daycare Waiting list is perceived larger than other counties. He reported that we receive \$14 million dollars, but need approx \$21 million to provide service to all on the list.
