The Forsyth County Public Library welcomes you aboard the bookmobile!

In order for each customer to have a safe and enjoyable experience aboard the bookmobile we are asking customers who have masks to please wear them. If you have other protective equipment or a mask with a shield, please feel free to wear them as well. For all customers who will be coming aboard the bookmobile who do not have a mask, the Library staff will provide you with a mask at no charge.

As you're waiting to board the bookmobile, staff members will ask you to practice social distancing measures such as standing six feet apart. We will have a designated area for customers to wait so we can keep you safe while you are waiting to come aboard the bookmobile. Another way we are focusing on making the customer experience safe and enjoyable for all of the library's customers is to limit the number of customers coming aboard the

bookmobile at any given time. One customer (or one child accompanied by an adult), can come aboard the bookmobile at a time, to browse and check out library materials.

The library would like to thank you in advance for your continued support and assistance in helping to keep yourselves and your community safe. We look forward to seeing you at a shopping center near you soon.
